## WEEKLY PRAYER AND REFLECTION

This week **reflect** on and **rejoice** knowing... Your security in Jesus is sure.

It's not difficult to understand how we all long for security. We spend so much time and energy striving to feel that security in our finances and relationships. We want to know that there's something we can cling to and depend upon and we dread the feeling of uncertainty and instability. I think that feeling of security is one of our strongest desires. Unfortunately, many, including Christians, often look to the wrong things for security. For those who are in Christ, we have the ultimate promise of security.

In *John 10* Jesus speaks of the security that his sheep have in him. He says in verses *27-30, My sheep hear my voice, and I know them, and they follow me. I give them eternal life, and they will never perish, and no one will snatch them out of my hand. My Father, who has given them to me, is greater than all, and no one is able to snatch them out of the Father's hand. I and the Father are one.*" What a blessed assurance for those who are found in Christ!

This week pause and really dwell on your security in Jesus. Take time to soak it in and rejoice!

*Hebrews 7:25 Consequently, he is able to save to the uttermost those who draw near to God through him, since he always lives to make intercession for them.*
